PUBLIC-PRIVATE PARTNERSHIP CENTER

CITIZEN'S CHARTER
2020 (3rd Edition)

I. MANDATE

By virtue of the Executive Order No. 8 series of 2010, as amended by Executive Order No. 136 series of 2013, the PPP Center is mandated to facilitate the implementation of the country's PPP Program and Projects.

The PPP Center is the main driver of the PPP Program. It serves as the central coordinating and monitoring agency for all PPP projects in the Philippines. It champions the country's PPP Program by enabling implementing agencies in all aspects of project preparation, managing of the Project Development and Monitoring Facility (PDMF), providing project advisory and facilitation services, monitoring implementation and empowering agencies through various capacity building activities.

The PPP Center provides technical assistance to national government agencies (NGAs), government-owned-and controlled corporations (GOCCs), government financial institutions (GFIs), state universities and colleges (SUCs), and local government units (LGUs) as well as to the private sector to help develop and implement critical infrastructure and other development projects.

The PPP Center is also advocating policy reforms to improve the legal and regulatory frameworks governing PPPs in order to maximize the great potentials of these infrastructure and development projects in the country.

Through Executive Order No. 136, the PPP Center shall act as the Secretariat of the PPP Governing Board. The Board is the overall policy-making body for all PPP-related matters, including the Project Development and Monitoring Facility. It shall be responsible for setting the strategic direction of the Philippine PPP Program and creating an enabling policy and institutional environment for PPP.

II. VISION

The Center shall serve as the champion of public-private partnerships for the country's inclusive growth and sustainable development.

III. MISSION

The Center shall facilitate and optimize public-private partnerships in the country for the delivery of public infrastructure and other development services.

IV. SERVICE PLEDGE

The Public-Private Partnership Center of the Philippines commit to:

Professionalism

We commit to provide fast, reliable, efficient, competent and effective services that adhere to the principles of good governance and genuine public service.

Passion for Excellence

We are dedicated to consistently deliver timely and the best quality of public service and to ensure efficient and effective implementation of public-private partnerships in the country

Pro-activeness

As prime movers in public-private partnerships in the country, we strive to achieve positive results through dynamic processes that are anchored on the principles of transparency and accountability

Client-Orientation

We intend to foster long-term partnerships that will enable clients to meet their public-private partnership targets. We will continuously innovate on our processes to maintain an investment climate where our partners could operate on a level-playing field.

We commit to attend to our clients who are within the Center's premises prior to the end of official working hours and during lunch break.

3. Consultant Recruitment (for PDMF-supported Projects)

This process covers the selection of a consulting firm from the appropriate panel established during the prequalification of consultants. Through the Technical Assistance (TA) 7796, an international and an executive agreement between the Government of the Philippines and the Asian Development Bank (ADB), ADB co-financed to the Project Development and Monitoring Facility for the preparation, competitive bidding, negotiation, and monitoring of environmentally sustainable PPP projects. Applying the provisions in Republic Act No. 9184 allowing observance of international or executive agreement, the ADB Guidelines on the Use of Consultants (2013) (ADB Guidelines) is used in selecting, contracting, and monitoring consultants under the prequalified PDMF Panel of Consultants.

The procurement and the timeline are based on the Request for Proposals (RFP), as prescribed under ADB Guidelines, with the processing time laying down the period, instead of a schedule/date, of a certain activity. The procurement is in the nature of a competitive bidding with the beneficiaries covering various IAs. The engagement of a consulting firm for an assignment will be through the execution of a call-down assignment contract (Contract for Consultant's Services) between the PPP Center and the consulting firm, with the *conformé* of the concerned IA.

VII. CLIENT SATISFACTION MECHANISM

In line with the principle of customer focus, the PPP Center solicits feedback from its clients to ensure consistent delivery of reliable, efficient, competent and effective services. Client feedback also serves as input to the Center's commitment to continually improve its quality management system.

- Client feedback is to be collected after the completion of a client request or transaction. The timing and frequency of the conduct of client satisfaction surveys is determined by the Division/Office.
- The client satisfaction survey may be solicited through an online platform or through hard copy.
- Client satisfaction surveys shall be founded on Effectiveness/Quality and Timeliness. Division/Office shall determine the criteria for which clients will rate the services provided.
- The service provided shall be rated by the clients through the following scale:

Rating	Poor	Unsatisfactory	Satisfactory	Very Satisfactory	Outstanding
Description	Expected service was not delivered.	Service was delivered but below expected output/outcome.	Service was delivered at the expected level.	Service modestly exceeded expectations.	Service significantly exceeded expectations.

- Results of the client satisfaction survey shall be collected, summarized and analyzed at the end of every semester.
