# PPP KNOWLEDGE CORNER

# The Memorandum of AGREEMENT

*What is it?*

## Collaboration Framework

PPP Center through its capacity building strategy is intensifying efforts to capacitate, engage and assists local IAs to pursue PPPs.

Part of the needs that the local PPP strategy addresses is to provide focused assistance to local IAs by providing capacity building and technical assistance to help them pursue bankable & viable PPP projects.

# THE PPP KNOWLEDGE CORNER

*What is it?*

**Information hub on PPPs** where local IAs and other stakeholders can get accurate and updated information and knowledge on PPPs

**Access point** to the PPP Center's services to help them develop and implement PPP projects

# Duties and Responsibilities

*Provide technical support to the NROs by providing the following:*

**Information on frequently asked questions** on PPPs and other PPP-related matters such as info on how IAs can tap the PPP Center technical assistance and support, project updates, etc.;

**Regular updates** on the PPP program and up-to-date PPP knowledge products which can serve as reference materials on project development, procurement and implementation; and

**Screening tools** for potential and promising PPP project ideas;

PPP CENTER
