

PPP Center's Support in Developing Health Care PPPs

*"Fostering Universal Health Care
through PPPs"*
22 March 2019

Mia Mary G. Sebastian
Deputy Executive Director
PPP Center

PPP Program

Government's 0-10 Point Economic Agenda

4

Accelerate annual infrastructure spending to account for more than 7% of GDP by 2022,* with PPPs playing a key role

Increase competitiveness and ease of doing business

Promote rural and value chain development toward increasing agricultural/rural enterprise productivity and rural tourism

Invest in human capital development, including health and education systems, match skills and training

Promote science, technology, and the creative arts to enhance innovation and creative capacity

*Updated from 5% based on latest NEDA pronouncements

PPP Program for Infrastructure Development
