GENERAL SANTOS CITY

Invitation to Apply for Eligibility and to Submit Proposal (IAESP)

The City Government of General Santos is inviting Private Sector Participants (PSP) to apply for eligibility and submit a proposal to do a Joint Venture Project for the Operations and Maintenance of the General Santos City Sanitary Landfill (SLF), and the Establishment and Implementation of a Waste Conversion Program Therein (“The JV Project”) with a term of Twenty Five (25) years and a cost estimated at One Hundred Million Pesos (Php 100,000,000.00). The PSP shall include in their proposal a revenue share to the City, the most advantageous of which shall be selected.

The JV Project will commit to the 60% recovery of the Phase 1 cell in the SLF within the first five (5) years of operations. A waste conversion facility will be constructed in the SLF by the PSP, and waste diversion programs will be implemented therein. The operations and maintenance of all equipment, machinery and facility in the SLF shall be the responsibility of the PSP for the duration of the agreement. Likewise, a full-fledged weighbridge and close circuit televisions (CCTVs) shall be purchased by the PSP for use in the facility. The facilities originally owned by the City in the SLF, as well as the full-fledged weighbridge and CCTVs, shall be turned over to the City in good working condition upon expiration of the term.

All Interested Private Sector Participants shall submit their Letters/Expressions of Intent until September 12, 2020 at the City Economic Management Office (CEMCDO), 3rd Floor, Investment Action Center Building, City Hall Drive, General Santos City, addressed to Engr. Nael Joseph D. Cruspero, the Joint Venture-Selection Committee Chairperson. The Documents for Eligibility and Instructions to Challengers shall be available starting September 13, 2020, 8:00 am until September 22, 2020, 5:00 pm, upon payment of a non-refundable fee of Seventy Five Thousand Philippine Pesos (Php75, 000.00). Deadline of the submission of the Qualification Documents shall be on October 12, 2020.

The evaluation of the Qualification Documents shall be made until October 19, 2020. All Non-Eligible and Eligible bidders shall be notified on October 21, 2020.

All Eligible PSPs shall then be issued with tender documents starting October 22, 2020 until October 28, 2020 upon posting of a refundable security deposit equivalent to One Percent (1%) of the Project Cost.

The Project shall follow Ordinance 9, Series of 2014, and Ordinance 28, Series of 2017 otherwise known as the General Santos City Public-Private Partnership (PPP) Code and Joint Venture Ordinance, respectively.
