Note:

This list includes only those projects where the PPP Center is involved in either the development, appraisal, procurement or implementation, and those projects not belonging to the former but which the PPP Center is monitoring.

<sup>1</sup> 1 USD = 50 PHP conversion rate

<sup>2</sup> Pipeline refers to projects under procurement, competitive challenge, negotiation, approval, development, conceptualization, and initial evaluation by IA.

<sup>3</sup> This refers to the Subic Zambales Diesel Power Plant 1 project of the National Power Corporation (NPC). According to NPC, there are no available project documents on procurement mode and approved project cost. NPC is certain that this is a PPP project, hence it was still listed in the PPP Center project database.
